Racin' 4 Mason Cycling Fundraiser

SUNDAY, JULY 19, 2015

**Benefitting YMCA Camp Mason's
Camper Scholarship Fund**

This exciting, HILLY, 72.5-mile challenge takes you through the most beautiful scenic countryside in New Jersey. Leading out of Mercer County, the route climbs over the Sourlands into Hunterdon County, then chases through miles of gorgeous farmland, riding up and descending down steep country roads to the final destination at YMCA Camp Mason in rural Warren County near Blairstown. Along the way, we meet up with riders who prefer a shorter route of 16.2 miles that begins and ends at YMCA Camp Mason (North Course).

**SUPERIOR SAG SUPPORT • 5,665' OF CLIMB
SCRUMPTIOUS LUNCH & A COOL DIP

This ride attracts strong, ambitious cyclists as well as lesser demons who don't mind suffering a bit... especially for a great cause: Raising money for "CAMPERSHIPS" to send underprivileged kids to summer camp at the venerable Camp Mason, one of the longest running YMCA Camps in the U.S.

"At most charity rides, the participants and the beneficiaries never meet. At R4M, the unbridled enthusiasm of the kids at the finish is indelible; it is an inspiring tunnel of noise."

- Brian Ignatin of Kermesse Sport
